

## CURRICULUM VITAE

### **Xiaoqiao Wan**

Professor, School of Geosciences and Resources, China University of Geosciences

Xueyuan Lu 29, Beijing 100083, China, P.R., Tel: +86-10-8232-1040

E-mail: wanxq@cugb.edu.cn

### **[EDUCATION]**

B.S. in Paleontology, Wuhan College of Geology, Wuhan, 1979

M.S. in Paleontology, China University of Geosciences, Beijing, 1980

Ph.D. in Micropaleontology, China University of Geosciences, Beijing, 1985

### **[EMPLOYMENT HISTORY]**

Post-doctoral Research Fellow (1987-1988), University College of Wales, U.K.

Professor in Geology and Paleontology, China University of Geosciences, Beijing

### **[LIST OF KEY PUBLICATIONS]**

Wan, X., Scott, R., Chen, H. W., Gao, L., Zhang, Y., 2011, Early Cretaceous stratigraphy and SHRIMP U-Pb age constrain the Valanginian-Hauterivian boundary in southern Tibet. *Lethaia*, **44**, 231-244.

Li, G., Jiang, G., Wan, X., 2011, The age of the Chuangde Formation in Kangmar, southern Tibet of China: Implications for the origin of Cretaceous oceanic red beds (CORBs) in the northern Tethyan Himalaya. *Sedimentary Geology*, **235**, 111-121.

Xi, D., Wan, X., Jansa, L., Zhang, Y., 2011, Late Cretaceous paleoenvironment and lake level fluctuation in the Songliao Basin, northeastern China. *Island Arc*, **20**, 6-22.

Wan, X., Jansa, L. F., Sarti, M., 2007, Cretaceous and Paleogene boundary strata in southern Tibet and their implication for the India-Eurasia collision. *Lethaia*, **35**, 131-146.

Wan, X., Lamolda, M. A., Si, J., Li, G., 2005, Foraminiferal stratigraphy of Late Cretaceous red beds in southern Tibet. *Cretaceous Research*, **26**, 43-48.

Wan, X., Wei, M., Li, G., 2003,  $\delta^{13}\text{C}$  values from the Cenomanian-Turonian passage beds of southern Tibet. *Journal of Asian Earth Sciences*, **31**, 861-866.

Wan, X., Wignall, P. B., Zhao, W., 2003, The Cenomanian-Turonian extinction and oceanic anoxic event: evidence from South Tibet. *Palaeogeography Palaeoclimatology Palaeoecology*, **199**, 283-298.

### **[IGCP INVOLVEMENT]**

Co-leader of IGCP507 and regional coordinator of China in IGCP434

Attending most of international meetings of IGCP434 and 507, in addition to several meetings of IGCP 494 and 555

Organizing two international meetings, the third meeting of IGCP434, Lhasa, Tibet, China in Dec., 2001 and the sixth meeting of IGCP507, Beijing, China in Aug., 2010
